

Monday, July 18th

5pm – 7pm **Welcome Reception**

Tuesday, July 19th

7:30 AM **Registration & Breakfast**

8:30 AM **Welcome Message & Introductions**

Presenters: **Keith Mitchell, Region 4 Chair
AES Executive**

9:00 – 10:00 AM **UTC Advocacy & Leadership Update**

Presenters: **Sheryl Riggs, UTC President & CEO
Keith Mitchell, Region 4 Chair
UTC Board Member TBD**

10:00 – 10:30 AM **Networking Break**

10:30 AM – 12:00 PM **6GHz Update, brief history & current status
6GHz Panel: next steps, network baselines, remediation
Options, cost recovery, interference testing, immediate
action, alternative networks/technologies**

12:00 – 1:00 PM **Networking Lunch**

1:00 – 2:30 PM **Tele-protection over MPLS**
 o SONET becoming EOL
 o Considerations for packet networks and round trip delay
 o Nokia ADC multipath in 7705 release 21.3

Speaker: **Nokia representative TBD**

2:30 – 3:00 PM **Networking Break**

3:00 – 4:00 PM **Joint Use, impact and cost of 5G and fiber build
5G RF safety, legislative update, open discussions**

5:00 – 7:00 PM **Networking Reception**

Wednesday, July 20th

7:30 AM **Registration & Breakfast**

8:30 – 9:30 AM **Migration strategies Opensky to P25**

- Methodology
- Frequency planning
- Antenna/tower process
- AEP lessons learned

L3Harris P25 development plans

- Features added
- Features in development
- Product portfolio
- Product road map

Speaker: **L3Harris representative TBD**

9:30 – 10:00 AM **Networking Break**

10:00 – 11:00 AM **100 billion reasons Intel is building in Ohio**

Intel announced in February 2022 their intent to build a new manufacturing (FAB in Intel speak) plant in Ohio’s Licking County, about 30 miles east of Columbus Ohio. This initial plan calls for an investment that could reach \$20 Billion and the site could potentially see a total investment of over \$100 Billion in the future. In this talk you will hear the how, what, why and more about this plan.

Speaker: **Larry Horner, Principal Engineer and Senior Solution Architect – Intel**

11:00 AM – 12:00 PM State of the Utility Roundtable
Representatives from each utility to provide 10 minutes on current and future projects.

12:00 PM **Adjourn**

12:15 PM **Region 4 member only meeting. Open to utility members only.**
