

# Spectrum Services Fee Schedule

Service	Price	Notes
FXO Only System per frequency per site	\$55	
VHF Single Channel per site	\$190	
VHF Channel Pair (Base/Mobile) per site	\$220	
Mobile Only (MO)	\$110 Up to 5 frequencies	Each additional mobile channel over 5 is \$25
VHF Trunked Channel Pair (Base/Mobile) per site	\$275	Includes Contour Analysis –See Note 1
Rule 90.259 Data Channels (217 – 220 MHz)	\$55	Per site per channel
UHF Channel Pair (Base/Mobile=Base + 5 MHz) per site	\$185	
UHF Trunked Channel Pair (Base/Mobile) per site	\$275	Includes Contour Analysis–See Note 1
470-512 MHz Channel Pair (Base/Mobile) per site	\$185	Includes TIA Bulletin 88 Analysis
470-512 MHz Additional TIA Studies	\$30	Changes to applicant parameters
470-512 MHz Trunked Channel Pair (Base/Mobile) per site	\$275	Includes TIA Bulletin 88 Analysis
800/900 MHz per Channel Pair (Base/Mobile) per site	\$275	See note 1.
Rule 90.259 Data Channels (1427 – 1432 MHz)	\$110	Per site per channel
<b>Temporary &amp; Operational Fixed (FXO, FXOT, FX2, FBT &amp; FX1 above 20 ft.)</b>		
512 MHz and below	\$55 each	
800/900 MHz	\$110 each	
Minor Modifications per application – any minor changes requiring changing of non-technical information	\$55	
<ol style="list-style-type: none"> <li>1. Minimum coordination fee applies regardless of channel availability.</li> <li>2. Any modification requiring additional searches or changing the technical parameters will be treated as a new coordination and charged accordingly.</li> <li>3. Canceling an application will result in a cancellation fee of \$100.</li> </ol>		
Multiple Address System (MAS) coordination per channel per site	\$390	
<b>FCC Form 601 Application Preparation:</b>		
800/900 MHz & Below	\$175	
MAS	\$175	
Frequency searches per site	\$55 \$275	Conventional Trunked
Schedule K and License Renewal	\$55	
Microwave Part 101 Frequency Coordination	Please call for quotes	\$500 coordination fee/channel pair/path \$225 prior coordination notice fee/per frequency band
<b>FCC Fees</b>		
PALM	\$70	Modifications
PALR/PALM	\$170	New application (below 470 MHz)
PALS/PALM	\$320	470-512 MHz; 800/900 MHz
PEOR/PEOM (MAS)	\$555	New application
PEOM (MAS)	\$305	Modifications
<b>Other services available:</b>		
Propagation Studies – Land Mobile Contour Plot – Intermod Screening – FAA Filing – Other Engineering Analysis License Guard (License maintenance)	Please call for quotes
